

Members Helping Members

Rural Electric Cooperatives have always extended a helping hand to those needing it. Now, in response to actions by the Iowa General Assembly, the REC has established **RECare**, a program of members helping members. **RECare** will provide funds to be distributed by local community action agencies to help pay winter heating bills and to assist in weatherization of homes of low-income consumers.

You may make a one-time contribution or you may make a monthly pledge that will be automatically added to your monthly electric bill.

You may also make your contribution part of a matching fund, if there is one established. Even a dollar a month pledge will help others. You Care, We Care, **RECare**.
