

# ELECTRICAL WIRING SOLUTIONS

Whether you're building a new home, renovating, or need repairs for existing electrical systems, HCREC's licensed electricians are dedicated to delivering safe and efficient wiring services.

## ✔ New Construction and Remodel Wiring

We provide full wiring installations for new construction and renovations. Our team works with you to create safe, code-compliant electrical systems that meet the demands of our members.

## ✔ Home Wiring and Electrical Repairs

From troubleshooting issues to upgrading electrical systems, we ensure your system is safe, functional, and ready for all your power needs.

## ✔ Breaker Panels

Our team installs, upgrades, and services breaker panels to ensure your property's power distribution is safe, reliable, and capable of handling all your electrical devices and appliances.

## ✔ Troubleshooting and Emergency Repairs

Our technicians are skilled in troubleshooting complex issues and providing fast, reliable emergency repairs to get you back to normal.
